

## **LOOSE CLOTHING SAFETY POLICY**

Kylemore Karting requires all loose clothing items such as scarfs, turbans, and hijabs to be removed before entering the track and driving. There recently has been an unfortunate incident at a track in the U.K., where a driver has lost her life after a loose clothing item was tangled in her Kart while driving.

We understand some clothing items effected by this policy are of a sensitive nature, and are articles of faith, and while we respect and welcome all religions and races, we must continue to prioritise driver safety as we have done since 1992.

Thank you for your cooperation and understanding.

Kylemore Karting

**Driver's Safety is our #1 Priority**
